The learner we want at OLW...

The “golden rule” – Treat others as you would like to be treated – if someone is not like you – seek to understand them.

A way of looking at this with kids is looking at how they learn this idea.

1. I need **help** to “Treat others as I would like to be treated in the classroom and on the playground.”
2. I can “Treat others as I would like to be treated in the classroom and on the playground”, if I am **promoted or directed**.
3. I use several strategies to “Treat others as I would like to be treated in the classroom and on the playground”, but I am not **sure** of when or why to use them.
4. I use several strategies to “Treat others as I would like to be treated in the classroom and on the playground”, and I **know** when or why to use them.
5. I use several strategies to “Treat others as I would like to be treated in the classroom and on the playground”, and I **know** when or why to use them. I can **teach others** to “Treat others as they would like to be treated in the classroom and on the playground”. I act as **role model** for others to help them “Treat others as they would like to be treated in the classroom and on the playground”. I **seek feedback** about how I can improve the way I “Treat others as they would like to be treated in the classroom and on the playground”.

We want our learners to be able to treat others as they would like to be treated, because this type of disposition encourages learners to participate, be resilient and learn how to persevere.

Dear Parents,

The Gospel this week, Luke 14:7-14, gave us another lesson in life, a lesson on hospitality and humility. When he noticed how the guests chose the places of honour, he told them a parable. "When you are invited by someone to a wedding banquet, do not sit down at the place of honour, in case someone more distinguished than you has been invited by your host; and the host who invited both of you may come and say to you, 'Give this person your place,' and then in disgrace you would start to take the lowest place. But when you are invited, go and sit down at the lowest place, so that when your host comes, he may say to you, 'Friend, move up higher'; then you will be honoured in the presence of all who sit at the table with you. For all who exalt themselves will be humbled, and those who humble themselves will be exalted."

He said also to the one who had invited him, "When you give a luncheon or a dinner, do not invite your friends or your brothers or your relatives or rich neighbours, in case they may invite you in return, and you would be repaid. But when you give a banquet, invite the poor, the crippled, the lame, and the blind. And you will be blessed, because they cannot repay you, for you will be repaid at the resurrection of the righteous."

This week is Child Protection Week – ‘Protecting Children is Everybody’s Business’. We will promote child safety in the classrooms using the Feeling Unsafe – Go and Tell poster as a resource.

From the Child protection week website: ... among 'the objectives of Child Protection Week is to: raise the profile of all issues connected with child protection, including child abuse prevention, treatment, research, education, service provision and support for children, young people and families.

Jumper Drive: Recently staff and families sorted through their wardrobes to find jumpers to give to the homeless to keep them warm through the continuing cool nights. We made a donation of two boxes of winter warmers to the Salvation Army who will disperse them to people in need. Thank you to all those who contributed to this worthy cause.

Have a lovely week.
Kind Regards,
Jo Scott-Pegum

Angel Network

Dear Families
For the past few years Our Lady of the Way has had an Angel Network.
The Angel Network is made up of OLW family volunteers.
The purpose of the Angel Network is to help out families that are ‘in need’ for a short period due to a member of the family being ill, in hospital or if the family have suffered a loss or traumatic event. We help by providing meals to the family during that difficult time.
If you would like to be on the Angel Network please contact
Helen Ryan : email hryan@bne.catholic.edu.au or mobile 0409516554
Thanks in advance.
This Friday the 6th of September OLW with be having a

JUMP ROPE FOR HEART DAY.

On the day the children will have the opportunity during a lesson to participate in a variety of skipping activities. They will work in small groups and move through a fun rotation of activities run by our responsible year 7 students.

On our Jump Rope for Heart Day our theme will be “REDTASTIC”, so the children may wear red clothing in support. If they do not own RED clothing they must wear their SPORTS uniform.

At the end of our “REDTASTIC JUMP OFF” day there will be a skipping performance by some of our very talented skipping enthusiasts which everyone is welcome to attend. This will be from 2pm.

As a school OLW is very enthusiastic about supporting good causes as well as having a positive healthy outlook on our student’s lives. Jump Rope for Heart is another way we are promoting good health within our school community. An important note: Families are welcome to join together and have one sponsorship fundraising account for all the children in the family to work together on. This may help achieve a better prize for the family from the Thank-You Prizes. If you choose to do a family sponsorship, please ensure the unused forms are returned to the class teachers while also creating only one online account for online fundraising.

Thank you for your support. The OLW Sports Team
