Father’s Day News

Mums and Children, one of the most important days of the year is closely approaching – Yes, Father’s Day. It’s that day when us Dads who never complain, never whinge, never stop working or doing things around the house, like all the cooking, all the cleaning, all the washing and all the yard work, can ask for just a few moments of your time with some love and recognition.

We Dads don’t ask for much.
In the past it’s been breakfast in bed, the car washed and cleaned, the lawn mowed, the washing done, and day pass to go out with mates, a fishing trip, a game of golf or a dads night out. A massage including feet, and a new shirt and shorts. A new pair of running shoes, socks, underwear and shaving gear. No, this year us hardworking dads, don’t expect you to do all that.
We love you too much to put such demands on you at breakfast time. We simply would just ask you to make a card and buy a gift from the P&F Father’s day stall. All those other things you can give to us after lunch.

Fathers’ Day stall goodies will be for sale at the school on the Tuesday 27th August, Wednesday 28th August and Thursday 29th August the week before the big day. It will be in a room still to be determined and hopefully items purchased will stay with each class teacher until the end of the day. Each child will need to bring along a plastic shopping bag to take home their purchases. We therefore ask if you could send the money (gifts to be priced between $1 and $5) for the stall on the said days to ensure your children can purchase a small gift to express the love for their dads on the big day. Any mums able to assist on any or all of the days please leave your name and contact number at the office and one of the executive will contact you with a timetable.
If we have 3-4 ladies each day it does make it an easy day for all. The goal is to be finished before lunch as so it’s not a whole day for anyone.

DISCO Time

Fellow groovers.
It’s that time of the year we need to settle the question you all have been asking? – Who is the best dancer of them all.
IT’S DISCO TIME.
We think Friday the 13th of September would be a good night to come along and shake, rattle, and roll across the dance floor. Show your friends who is the best dancer of your year. So get mum to put on the turtle neck and dad to slip into his flared trousers and come along. They too can boogie in the moonlight, starlight, or just bright light when we all have a fun night in the Dalaipi centre. We are hoping to encourage those dads and mums who are too shy to dance that they can still join in too.
We will make it a sausage sizzle start and a cold soft drink before heading inside the hall when glow in the dark and disco dancing is the theme of the night. Don’t be scared just be there. I believe we may have a prize for the best Mum and Dad dancers. So come along and have a good night. Prep to Year 3 will be from 5.45pm – 7.15pm with a Sausage Sizzle from 5.05pm. We plan on a sausage and drink before the start to help energise the dance floor.
At 7.15pm to 7.30pm bright lights will be on and that’s when Years 4 to 7 slide in for some serious dancing finishing at 9.00pm.
We are asking for volunteers on the night from Mums and Dads who can assist with entry duties, sale of glow products and sausage sizzle, and fashion police.
Therefore before you dance you can get a sausage and drink for $4.00 and then entry will be $4.00 also.
Name and hours you can assist to the office please and a timetable will be arranged. Let’s make it a night to remember.

David Farley
