

What

Deliver and apply consistent, evidence-informed spelling strategies across all classrooms.

Strengthen teacher knowledge of the V9.0 English Curriculum and Spelling Knowledges for explicit instruction.

Use data and student reflections to monitor progress and adapt teaching for improved spelling outcomes.

Why

To ensure clarity and consistency in spelling instruction that supports student engagement and achievement.

To build teacher capability and confidence in delivering high-quality, curriculum-aligned spelling lessons.

To create a culture of continuous improvement through data-driven decisions and reflective practice.

How

Leaders provide professional learning, coaching, and monitor implementation through observations and analysis.

Teachers co-construct strategies, plan explicit teaching lessons with clear Learning Intentions and Success Criteria and use regular data cycles.

Students engage in metacognitive spelling practices, applying strategies and reflecting on their learning.

EXPLICIT IMPROVEMENT AGENDA

Establish and implement a consistent, explicit spelling instruction approach to strengthen teacher clarity, student engagement and growth in spelling outcomes across all year levels.
