

Why

Spelling helps me communicate clearly in writing.

Using strategies makes spelling easier and less stressful.

Thinking about spelling helps me improve and learn new words.

How

I will practice spelling strategies every day in class.

I will reflect on what worked and what I can do better.

I will use feedback from my teacher to keep improving.

What

I will use different spelling strategies when I read and write.

I will think about my spelling choices and check my work.

I will show my learning in reflections and spelling tasks.

2026 IMPROVEMENT GOAL

We are learning to spell with confidence by using clear steps and strategies. This will help us understand spelling better, stay engaged in lessons and improve our spelling in all year levels.
